- **Introduction**
 - Everyone gave a short introduction of themselves
 - Reforma is an ALA-affiliated national library association that promotes Library services to Latino communities; and resources, training, and mentorship to Library staff who serve Latino communities
- **Next steps in chapter formation**
 - The first step is this meeting to decide on several matters
 - Once we have chosen officers, we will submit the approved bylaws and a letter of intent to REFORMA
 - The next steps are to apply/meet state and national non-profit requirements
 - Reforma will pay for our IRS and state incorporation fees
 - Reforma gives chapters funds based on their membership
 - REFORMA membership costs
 - \$50 for Librarians
 - \$25 for support staff
 - \$0 If you are not ready to join but are curious, you can “join” REFORMA as a non-member for \$0 and see what they do
 - Officers must apply for REFORMA membership within one week of this meeting
 - Non-officers can wait a little longer, but the sooner you become a member the better
 - When Joining Reforma it will ask you to choose a chapter, since we are still in the formation stages we won't be a choice, choose the national option for now. You will be added to our chapter at a later date
- **Review Bylaws**
 - Name of group
 - Everyone is invited to submit a name idea
 - Holly suggested “Corazon de Plata” (since we are the Silver State).
 - Do we want to represent Southern Nevada or Nevada as a whole?
 - Officers will choose the final name
 - All other bylaws were approved.
 - Notable Bylaws:
 - Officers will have a one-year term and may be reelected
